PROFILE

Hey, I'm Sandesh, an energetic and hard-working individual who worked as an **Assistant Accountant** at Bhageshwor Construction Pvt. Ltd. (A Class Construction Company in Nepal), having experience in managing financial records, reconciling accounts, purchasing/selling, etc. I had worked as a **Front-End Web Developer** at Actionify Nepal Pvt. Ltd., where I built responsive, user-friendly web interfaces that improved client engagement and boosted project delivery speed. I'm very highly motivated to grow & have skills in **accounting software, problem-solving, HTML, CSS, JavaScript, and modern web tools.**
