Profile

I'm Sandesh Budiya, a results-driven Web Developer who transforms concepts into fully functional, responsive websites. With expertise in HTML5, CSS, and React.js, I thrive on solving complex problems and delivering projects that delight clients. Always up for a challenge, I turn deadlines into achievements.

Skills

HTML5 — Expert

CSS — Expert

Javascript (ES6) — Proficient

React — Amateur

Gsap Animation — Proficient

Figma — Proficient

Github — Proficient

Communication — Proficient

Problem Solving Abilities — Proficient

Education

High School Diploma / Grade 12, *Little Buddha Academy*

2021 – 2022

- Focused on: Science & Computer Science

Mahendranagar, Nepal

Projects

Actionify, *Digital Marketing Agency*

01/2025 – 02/2025

Developed the first prototype website for Actionify, a newly founded digital marketing agency. The project was advanced and challenging, enhancing my skills in frontend development and UI/UX design.

RA House, *Prefabrication House Company*

05/2025 – 06/2025

Completed my first paid project for RA House, a prefab house manufacturing company, delivering the website in 3 weeks—ahead of the client's one-month deadline.
